

Re: Vegas Cup 2023-Youth Soccer Tournament

To Whom It May Concern:

Vegas Cup is one of the premier, youth soccer tournaments in the country, with over 800 teams participating from more than 20 different States.

Vegas Cup will give student athletes a chance to play soccer on the best fields Las Vegas has to offer, and in front of many college coaches, with hopes of continuing their pursuit of playing soccer in college.

We at Vegas Cup, put a premium on the importance of education. That being said, to organize such a large, high-profile event, we must require that athletes travel to Las Vegas on schedules that could cause them to miss a day or two of school.

We ask that you please excuse these student athletes from their missed days of school to compete in this event.

Should you have any questions regarding Vegas Cup, please feel free to reach out to me directly.

Sincerely,

*Jim Rasmussen*
